ENGINEERING STATEMENT IN SUPPORT OF AMENDMENT TO APPLICATION
FOR CONSTRUCTION PERMIT IN THE FM BROADCAST SERVICE
PERLA ACOSTA OJEDA
HOBBS, NEW MEXICO
SEPTEMBER, 1991

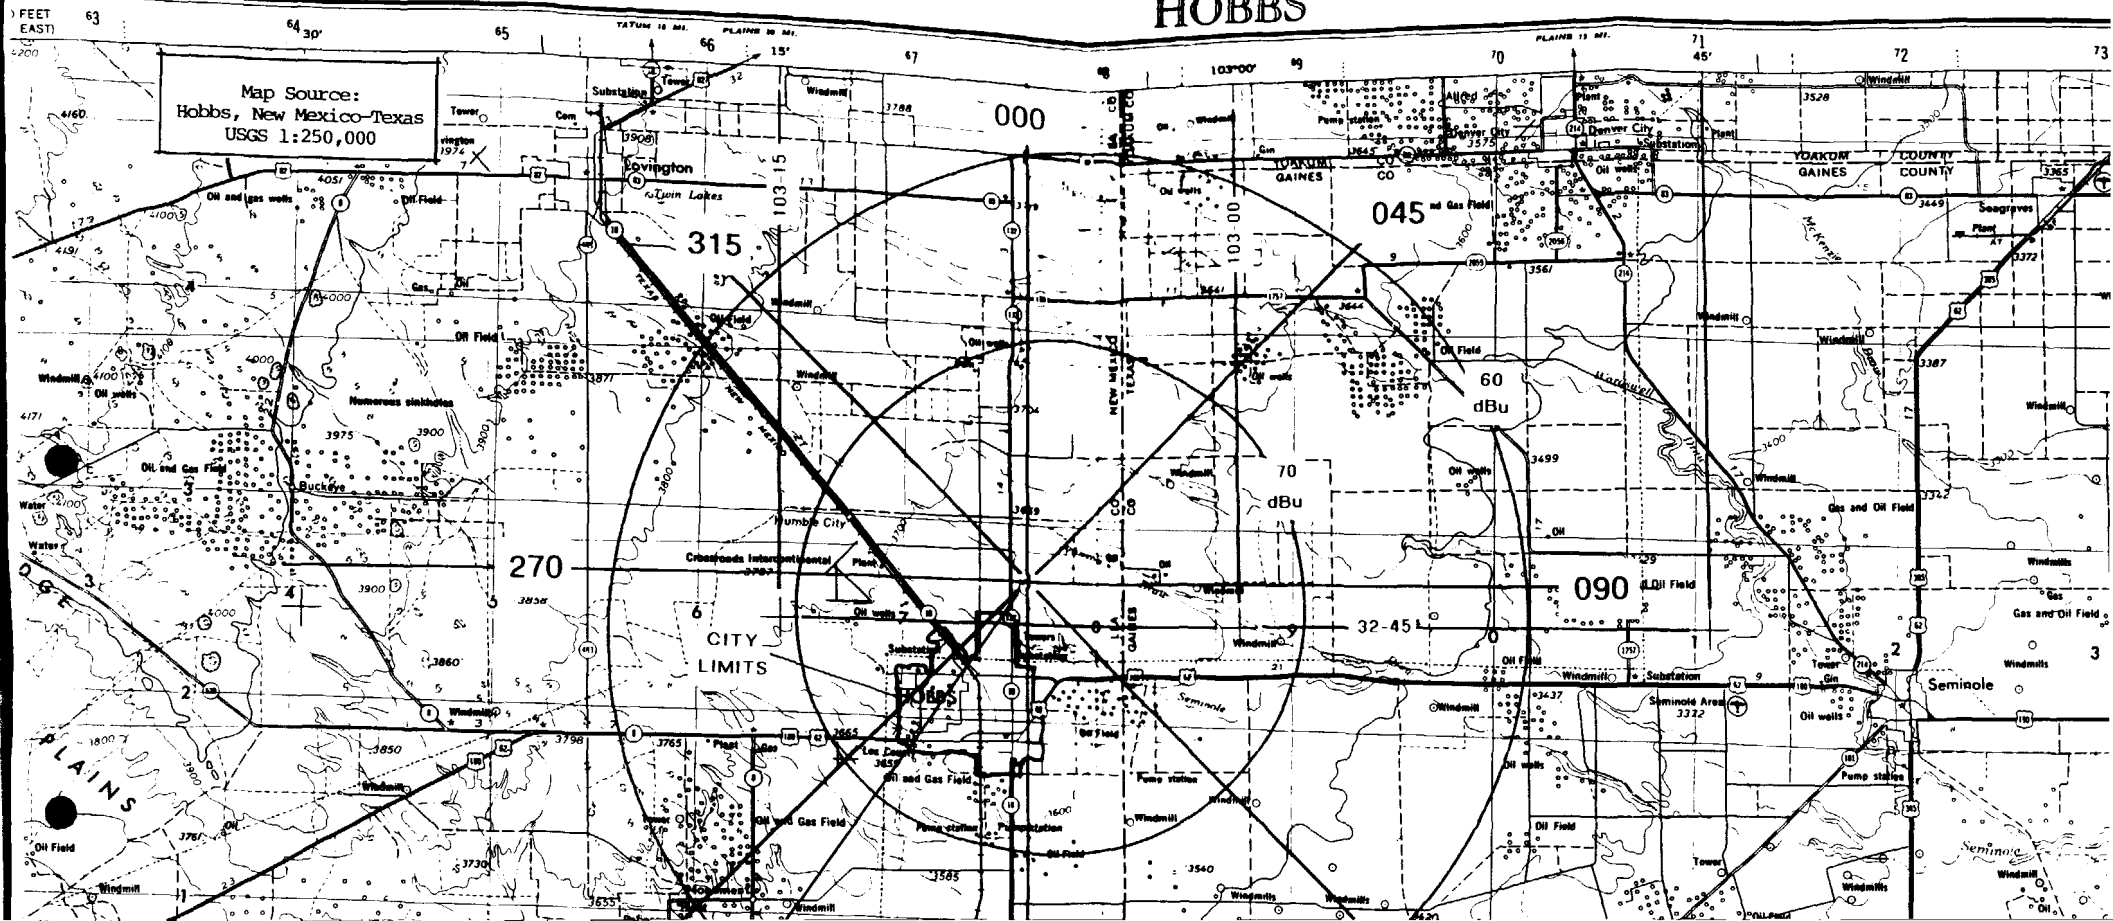

=====

This amendment corrects an inadvertent error in the map showing the predicted coverage contours, Figure 5A. The contours were inadvertently mislabeled with the 60 dBu and 70 dBu contour identifications being reversed. A corrected copy of the map is made a part of this amendment.

No other areas of the application are affected. The distances to the relevant contours listed in Paragraph 19 of Section V-B of Form 301 and the area and population data of Paragraph 17 were computed based upon the correct distances to the 60 dBu contour.
